

# When Do I Need a Trip Permit?

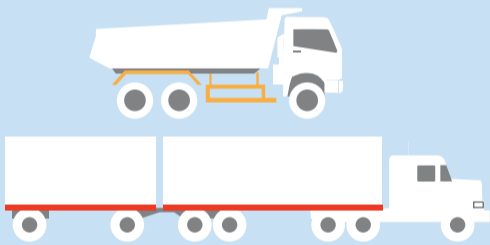

## What is a trip permit?

A trip permit grants temporary registration of a commercial or private carrier in a state or province where the carrier is not apportioned (state or province not listed with weight on cab card). Trip permits are valid for a defined period of time or for a single trip.

## You need a trip permit if your vehicle:

### Is traveling out of state and:

- Is not registered under IRP (International Registration Plan)
- Has three or more axles
- Has a gross vehicle or registered weight over 26,000 lbs.
- Has a combined gross vehicle or registered weight over 26,000 lbs. (including tow vehicle and trailer)

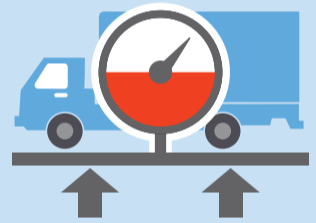

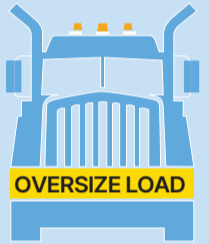

### Is operating with restricted plates, such as:

- Transporter plates, dealer plates, or farm plates
- Plates with restrictions on commodity, mileage, geographic area or time

### Exceeds legal limits for dimensions or weight

## What information will I need to request my trip permit?
